**SELF-INTRODUCTION**

My name is Pratyush Kumar Bisoyi. I am from Odisha, India.

Presently I am pursuing Bachelor of Technology in Computer Science and Engineering at Parala Maharaja Engineering College, Brahmapur, under BPUT, Odisha. I am also pursuing the BS in Data Science programme at the Indian Institute of Technology Madras.

I have completed Intermediate in Science from Kalikote Higher Secondary College, Berhampur, under CHSE Board in 2022 with 83.66%.

I have completed Matriculation from Saraswati Sishu Vidya Mandir, Kabisurya Nagar, under BSE Board in 2020 with 81.66%. My area of interest is data science, machine learning, and Agentic AI.

My strength is problem-solving, self-learning, and technical curiosity, and my weakness is production-level deployment and optimization. I am working on it.

My short term goal is to secure an AI/ML or software engineering internship and gain practical experience.

I enjoy reading, watching movies, and playing games or sports.
